WITH NOTHING TO WORRY ABOUT...
.... YOU CAN'T AFFORD TO GET DRAGGED ALONG.

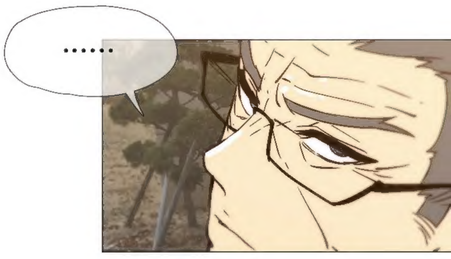
...
Huh?

Do you think there's another profession like ours where we must take care of ourselves?
Falling in love with someone will only break routine in our profession.

YOMANGA.CO

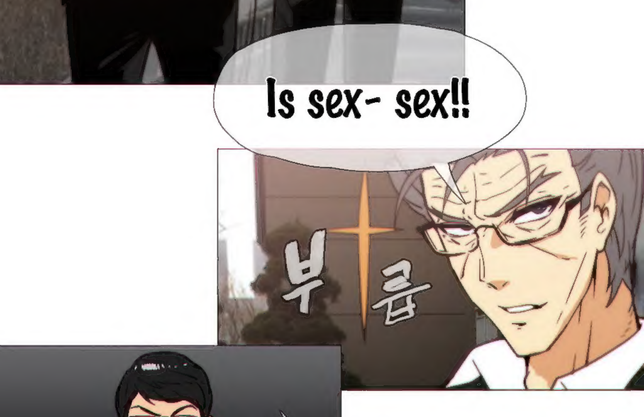
Once your routine breaks, that affects your performance, and if you make a mistake on a job...
It's not only your career that'll be on the line-

....even my marriage is part of work-
I don't have any intentions on making a mistake.



.....

Eh, an advice from a "married" sunbae..
First step to married couple's relationship



Is sex- sex!!

What?

YOMANGA.CO

Do you think I'm joking?
If you give up yourself as a man, it'll all be over for you-!
There are some things you must not give up!
If... you happened to ever lose your ground... you must...

DO WHATEVER IS NECESSARY TO GET IT BACK!
